History

Integrated Security Technologies, Inc. (IST) is a licensed electronic security system provider servicing Hawaii and U.S. Pacific territories. The IST team promotes the implementation of advanced system integration technologies since opening their doors in 1998. IST's clientele has grown steadily to include highly secure DoD installations, an enterprise-wide municipal government system, and representation in every vertical commercial market in the Pacific region including Healthcare, Education, Financial, Transportation, Critical Infrastructure, Utilities, Hospitality, Retail, and Condominium / Multi-Dwelling Units.
