History

Integrated Security Technologies, Inc. (IST) is a licensed electronic security system provider servicing Hawaii and U.S. Pacific territories. The IST team promotes the implementation of advanced system integration technologies since opening their doors in 1998. IST’s clientele has grown steadily to include highly secure DoD installations, an enterprise-wide municipal government system, and representation in every vertical commercial market in the Pacific region including Healthcare, Education, Financial, Transportation, Critical Infrastructure, Utilities, Hospitality, Retail, and Condominium / Multi-Dwelling Units.

Mission and Values

Our core values of Passionate Curiosity, Accountability, Collaboration, Integrity and Adaptability drive our mission, which is to:

“Manage our customer’s security risks by assessing requirements & vulnerabilities, designing custom solutions, and supporting advanced technologies with certified staff.”

Memberships

We are actively involved with several organizations. Below are just some of them:

- American Society of Industrial Security (ASIS) **Vice Chairperson**
- Chamber of Commerce + Military Affairs Council **Committee Member**
- Hawaii Hotel and Visitor Industry Security Association (HHVSA)
- Hawaii Information Communications Technology Assn (HICTA)
